Southeast Community College
Unofficial Transfer Guide for
Concordia University Nebraska

August 2011

Students anticipating transferring to Concordia University may use this guide for selecting Southeast Community College College courses. Students should communicate with the Concordia University Registrar Office to confirm course selections.

Within the hours required for graduation each student completes a general education component. Students are required to meet the specific hours in each of these general education requirements. The minimum number of hours may be exceeded depending on the courses a student chooses.

To be admitted, transfer students must be in good standing and have a 2.50 or higher grade point average on a 4.00 scale at the institution from which they are transferring. A maximum of 70 semester hours will be accepted for transfer from a two-year institution. A grade of C- or above must be received in all courses accepted for transfer credit.

Southeast Community College uses quarter credit hours while Concordia University uses semester credit hours (4.5 quarter credit hours equals 3 semester credit hours).
