HOME CHAPTER OF THE CONCORDIA UNIVERSITY GUILD
Seward, Nebraska 68434
School Year 2015-2016

Dear Parents of Concordia Students:

Will your daughter or son have a birthday while on Concordia's campus this year? The members of our Home Chapter of the Guild here in Seward will gladly deliver a freshly-baked cake, cupcakes or a batch of cookies that very day or on other special occasions in the year.

This is our 52nd year for the Birthday Baking Service. Our members bake and donate your order. No specific charge is made, but rather we ask you to make a contribution to our Guild for projects to benefit students of Concordia.

The funds are primarily for financial aid. The balance is used for other needs such as equipment for the Instructional Technology Center, classrooms, Chapel, athletics, resident halls, etc. To date the Seward members have handled 12,566 cake/cookie orders, resulting in funds totaling $122,747+ for Concordia needs.

You can place your birthday or other special occasions order now. We will deliver your order on the date you specify. If you do order later, please allow two or more weeks notice, if possible. Please fill out the order form below.

Let us share with you in giving your students very happy days...happy that you remembered them with goodies to share with friends, and also happy when the funds are used for student aid, etc. If you have any questions, please write or call Myrna Swanson at 402/643-0510.

Sincerely yours,

Veda Beckman, Chapter President
