Monday **9/7**		

Student Activity Fair- Tuesday, September 1st from 6-8pm in Janzow Cattle Conference Room
*Student groups represented *Free giveaways *Businesses/Churches of our community

Chartwells- This month we are focusing on community by working with the campus to collect both school supplies and money. The school supplies we are collecting should be appropriate for preschool children (such as washable glue & markers, crayons, pencils, construction paper, etc.) and will be donated to the Child Development Center. Monetary donations will be given to St. John's SMART Snack program. Every $40 collected will pay for a morning snack for one child for a whole semester. Donations can be dropped off at the cashier's station in Janzow Dining Hall. This community enhancement initiative runs through September 11.

Printing- If you've not yet done so, please remember to *Associate your ID card*. You won't be able to **print** from your CUNE account until you do. Just swipe your card at a printer, enter your user name and password, and watch for the message that says you were successful. Please stop in to SLO if you have any questions.
