Eng 201 is a pre-requisite for many English classes. Be sure to take it in your freshman year. You have a choice of Eng 383/385/387. 385 and 387 are offered in the spring, so you would need to re-arrange your schedule if you wish to one of these options instead of Eng 383. Also note above the options to substitute The Nebraska Story, the London Literary Tour or The New England Literary Tour.
