❑ Lutheran Teacher Diploma

❑ Director of Christian Education

Emphasis_____

❑ Pre-Seminary

❑ _____

Instructions:

Catalog year: Academic programs and requirements may change each year. Your catalog year tells which programs are available and what you must complete to receive a degree. Normally your catalog year is the year you begin study at CUNE. Your entire program (Gen Educ and majors) will be based on the chosen catalog year. You may choose to move to a more recent catalog, but not back.

Degrees and Majors:

Please note that you must complete 128 credit hours for one degree and 158 credit hours for two degrees.

Majors are only available with certain degrees. See your catalog for the degree/major combinations available. You may have more than one major.

Education majors are only available with the BSED.
- Elementary Education major must have 1 concentration
- Middle Level Education must have 2 CTAs.
- Secondary Education must have one Field or one Comprehensive Subject or two Subjects

Liberal Arts majors: The available majors for BA or BS degrees are listed in the appropriate catalog.

BFA majors: Graphic Design, Studio Art, and Art Education (K-12)

BMUS majors: Church Music (Organ or Voice) and Music Education (K-12 Vocal and Instrumental)

Minors:
Most minors are available in any degree/major and are awarded only with a major. A minor cannot be earned in the same field as a major. You may have more than one minor.

Other:
Check as appropriate. DCE students pursuing a non-BSED degree must specify an emphasis area available in their catalog. Add supplemental endorsements and certificates on the blank line.
