Please see catalog for required general education courses and competencies. Psy 101 is a prerequisite for HHP 273 and should be taken as a social science general education class. This major will fulfill the general education requirements for science (6 hours) and HHP (2)	* Internship of 120 contact hours with professional of student's choice with approval of fitness studies director. Sixty hours of course work with at least 15 hours in the major must be completed. See the director of career services for application material.	** 2 elective classes chosen from the following: HHP 312, 471, 488, Bus 261, Gero 401.	# 1 class chosen from HHP 281, 286, 287, or 288	+ May be taught online.	^Econ 102 is a prerequisite for Bus 261 if that is used as an elective. Econ 102 will count as a general education social science course.

Completing the above requirements will meet the requirements for a B.A. in Fitness Studies under the 2012-13 catalog.

-Courses are offered on a rotating basis; refer to the 5 year course offerings for each area.

-All degrees require at least 128 semester hours of credit with a minimum cumulative grade average of "C" (2.00) or the minimum grade average specified by individual program requirements (if higher). A minimum of 30 semester hours (12 of which must be on the 300 & 400 level and 15 of which must be in the student's major) must be taken in residence. Students must pass an average of 16 hours each semester to complete this major in four years. Summer hours may reduce the number of hours taken per semester.

-A second bachelor's degree requires an additional 30 semester hours above the 128 hours.

-Minors to consider: Community health, business, gerontology, senior adult fitness, parish health, biology
