All degrees require at least 120 credit hours with a minimum cumulative grade average of “C” (2.00) or the minimum grade average specified by individual program requirements (if higher). A minimum of 30 semester hours (12 of which must be on the 300 & 400 level and 15 of which must be in the student’s major) must be taken in residence.

Additional hours may be needed to reach the minimum number of hours required for graduation.

A second bachelor’s degree requires an additional 30 hours above the 120 hours.
