***Students completing the Computer Science endorsement must complete a second subject endorsement.

See the academic catalog for General Education and Supplemental Requirements.

All degrees require a minimum of 120 semester hours of credit with a minimum cumulative grade average of "C" (2.00) or the minimum grade average specified by individual program requirements (if higher). A second bachelor's degree requires an additional 30 semester hours above the 120 hours. Additional electives may be necessary to reach the minimum hours required for graduation.
