## Captains, register your teams!

Captains should register their foursomes as soon as possible since space is limited to 144 golfers on a first-come basis. Please indicate on the registration form who will play in your foursome. If you want the committee to assign you to an open spot due to cancellations, please notify Jeremy Geidel at 402 643 7347 or 800 535 5494, ext. 7347 or e-mail: [Jeremy.Geidel@cune.edu](mailto:Jeremy.Geidel@cune.edu). Registration is not complete until full payment is received. If you or your organization wish to donate prizes, please contact Jeremy Geidel.

## Sponsorship of holes

Sponsorship of holes is available for \$200 per hole. Sponsors will be identified by large signs near the tees and will be listed in the Bulldog fall and winter game programs. Sponsors will also have the opportunity for discounted webcast advertising for Concordia athletic events.

# Concordia University athletics continue to excel!

Concordia's athletic teams have had another outstanding year both on the field of competition and in the classroom. In the latest all-sports rankings by the National Association of Collegiate Directors of Athletics, the Bulldogs ranked 62 out of more than 300 NAIA colleges, and 16 of our 18 teams were named Scholar Teams by the NAIA.

The women's basketball team led the NAIA in the number of NAIA Scholar-Athletes in 2007 with seven earning the honor.

The Concordia women's cross country team has had 14 consecutive top 20 team finishes at the NAIA National Championships dating back to 1994. During the run, the Bulldogs have been runner-up four times, 2000, 2001, 2002 and 2004.

The softball team was the 2007 GPAC Tournament Champion and qualified for the NAIA Regional Tournament for the fifth consecutive year.

The women's cross country team was 2006 GPAC runner-up co-champion, while the men took third.

Winner of the Great Plains Athletic Conference (GPAC) All-Sports Trophy in 2002-03 and in 2004-05. Concordia has led the GPAC in the number of NAIA Scholar-Athletes for four consecutive years.
