Concordia University, Nebraska's Church Match Grant encourages churches to provide corporate scholarship support for their students involved in Christian higher education. Concordia will match up to a maximum of \$250 per year anytime a non-LCMS church gives \$250 or more towards their students' education.

Concordia University, operating under the auspices of The Lutheran Church—Missouri Synod, is a coeducational institution of higher learning committed to the Christian growth of its students.

Our commitment is accomplished through degree programs in professional education and the liberal arts. In addition, Concordia's faculty, staff and students are committed to service to the church and community and to scholarly activity and research. These programs and activities are set forth in an explicit value system that has as its core faith in Jesus Christ as the Son of God and only Savior of the world.

## How To Apply

The student will complete the left portion of the card to the left and give it to the church leadership.

The church must then complete the application and forward the funds it has pledged with this application by August 1.

Checks and applications received after August 1 will not be credited as Church Match Grant or matched by the university, but will be credited as a regular church grant.

Checks should be made payable to "Concordia University/Church Match" with a notation naming the student who is to receive the grant.

Please photocopy the application if necessary.

## Conditions

Funds must not come from the student, parents or relatives.

Checks must be received by Concordia by the deadline (August 1) in order to qualify as a Church Match Grant.

Funds are applied to tuition only.

The church check and Concordia's matching scholarship are divided equally between the Fall and Spring semesters.

Students must enroll for and maintain full-time status (12 or more credits) in the resident degree program or the scholarship will be forfeited for that semester and that semester's portion of the church check will be counted only as a non-matched church grant.
