

# Link Library Concordia University Nebraska

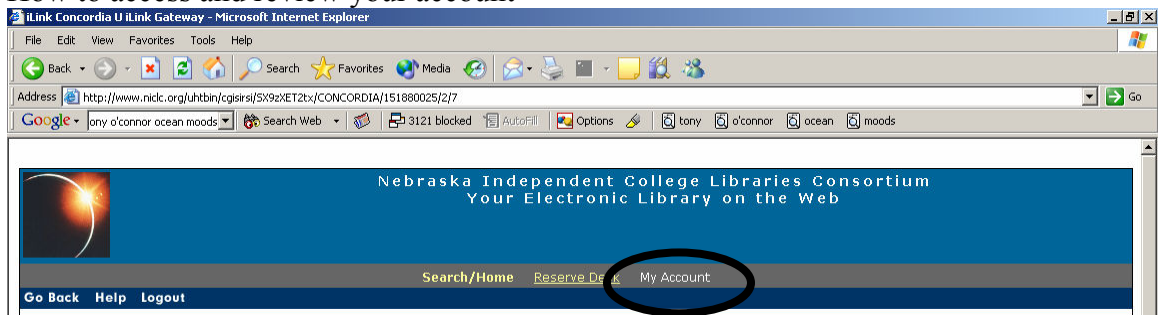

Using the catalog <http://www.cune.edu/> > library

1. Catalog searching: advanced search – different areas
  - a. Limiting by material type
  - b. Limiting by date

This search produces results on Shakespeare which are video (VHS or DVD) material type published after the year 2000.

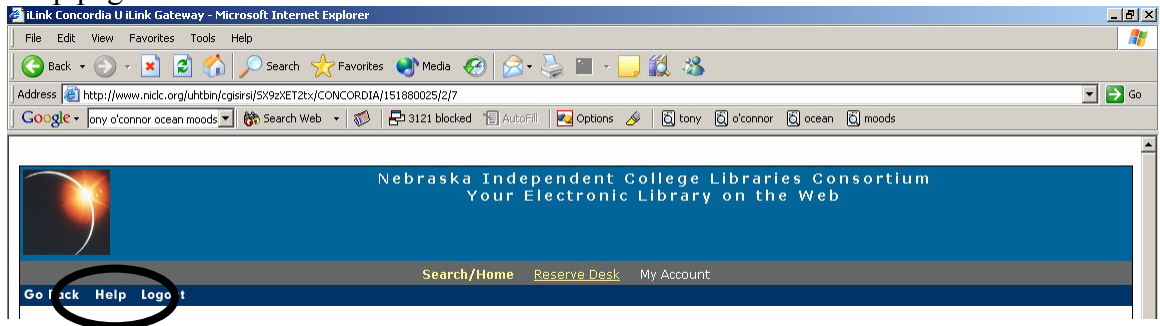

2. How to access and review your account

To get the ID and PIN for access, go to the circulation desk. Library staff will issue you your ID or alternate ID as well as a temporary PIN (which you can change on your first visit to My Account) since the system does not show the PIN to anyone.

- a. Use this option to see what is checked out, or
- b. To renew materials

### 3. Help page

The help page provides an easy yet in-depth guide to using the catalog.

### 4. Chart of operators
