All degrees require at least 128 semester hours of credit with a minimum cumulative grade average of “C” (2.00) or the minimum grade average specified by individual program requirements (if higher). A minimum of 30 semester hours (12 of which must be on the 300 & 400 level and 15 of which must be in the student’s major) must be taken in residence.

Communication/JRP students can complete their major and a minor and still have more than 20 elective hours in their 128 credit hour program. Depending on the program, students may be able to complete a second B.A. major without exceeding 128 hours. A second bachelor’s degree (e.g. a B.S.) requires an additional 30 semester hours above the 128 hours.

Courses are offered on a rotating basis. Refer to the 5-year course offerings for each area.
