** Completing the above requirements will meet the requirements for a BA in Communication with a Performing Arts Emphasis under the 2005-06 catalog.

Performing Arts Emphasis students can complete their major (37 to 44 hours) and a minor and still have more than 20 elective hours in their 128-credit program. A student might want to consider a second minor, depending on how many hours the student selects for this major. Performing arts students can complete their program in four years taking 32 credits per academic year. A course number listed in the 4 year plan is required for the performing arts emphasis major. An EO stands for elective option in the performing arts emphasis major. Students must take 6 to 10 hours of EO courses. Note CTA formerly listed as CTA 361 has been renumbered as CTA 154 effective 2006-07 catalogue.

Courses are offered on a rotating basis refer to the 5 year course offerings for each area.

All degrees require at least 128 semester hours of credit with a minimum cumulative grade average of “C” (2.00) or the minimum grade average specified by individual program requirements (if higher). A minimum of 30 semester hours (12 of which must be on the 300 & 400 level and 15 of which must be in the student’s major) must be taken in residence.

A second bachelor’s degree requires an additional 30 semester hours above the 128 hours.
