GenEd = general education

CTA = course in one of your two content teaching areas

Note that some courses require a field experience (FE) and other courses are only offered during specific semesters (spring-sp or fall-fl)

This plan assumes NO double dipping between general education and CTA courses. Well-managed plans will double dip.

Courses that are part of the Lutheran Teacher Diploma are marked with \*. Public education candidates can substitute for those courses. *Courses in italics are part of the professional year and must be taken during that time.*

All degrees require at least 128 semester hours of credit with a minimum cumulative grade average of 2.5 and a minimum grade average of 2.667 for professional education and for the elementary endorsement and early childhood endorsement.
