

## OUTSIDE SCHOLARSHIP AWARD FORM

**Thank you for your support of Concordia University and its students  
through your scholarship awards!**

**TO SCHOLARSHIP DONORS:** Please save this form for future disbursements. To help us better serve our students, please complete this form for verification of scholarships that a student will be receiving. When sending payment, keep in mind the payment deadline for students is the beginning of each semester. It would be very helpful to the students if scholarship checks could be sent before the payment deadline. An additional sheet may be added for more students.

All scholarships are *equally split between fall and spring semesters*. The only exception is if a scholarship requires proof of grades from fall semester before any money is released for spring semester. If a student listed is not enrolled at Concordia, the funds will be returned to you, the source of the scholarship.

If you have any questions, please contact Student Financial Services at 1-800-535-5494 ext. 7270. This form can also be downloaded from our website at [www.cune.edu/sfs](http://www.cune.edu/sfs) under Other Documents and Forms.
