Success fulfills students’ dreams. Career support, a strong alumni network and job opportunities after graduation reward students for fulfilling their Concordia Nebraska education.

Paul ‘77 and Nancy ‘77 Duensing | Denver, Colorado

98% of recent graduates attended graduate school or were employed within 6 months of graduation.
Community
Safe, Supportive Environment
Our hometown of Seward, just 25 minutes from the city of Lincoln, has the lowest crime rate of 31 Nebraska cities with 5,000+ people, so students can live small-town life with big-town opportunities in a safe, yet vibrant community.

Academics
Quality Programs
Highly qualified and accomplished professors get to know each student personally and commit to ensuring they succeed. Students will find the support and expertise to graduate with practical, real-life experience and a degree in a program that will feed their passions.

Passion
Engaging Activities
What’s your child’s passion? Athletics? Music? Science? Service to others? If they want to be involved, there’s no need to sit on the sidelines—they can put their passions into action!

Faith
Focus on Christ
Students are in an environment where it’s safe to ask questions, making it possible to strengthen their Christian identity and integrate their faith into their newly independent life.

Concordia Experience
Enriches Life
100% of incoming students receive scholarships and grants from Concordia
6,637 individual scholarships awarded to Concordia students in 2014-15
$19.4 million of scholarships and grants awarded in 2014-15

Financial Support
Makes It Possible
Scholarships and grants from Concordia make a Christ-centered education within reach.

Students discover and live out their callings in service to others in a supportive campus community and beyond.

Take the Next Step
Start acceptance and financial aid discussions today by having your child apply for free in about 20 minutes at cune.edu/apply.
