Your Email

Today's Date

Please list academic organizations or activities you're currently involved in.

Please list sports, clubs or extracurricular activities you're involved in.

Please indicate if these are through your high school or another organization/self-directed.

Please list activities you're interested in pursuing in college.

In what academic areas do you thrive?

In what academic areas do you struggle?

What's your favorite academic subject? Why?

What book, that you have read in the last five years, has most shaped how you think about the world?

Please list any dual credit, AP or IB courses you've taken.

Please thoughtfully answer the following questions with 250 words or less.

Why are you applying to the Luke Scholars program?

How do you anticipate college will be different than high school?

What do you hope college coursework will do for you intellectually?

CHARACTER REFERENCES

Luke Scholars are disciplined, contemplative and motivated students who are willing to challenge themselves intellectually in order to enhance their lives and serve others through their vocational callings. Please provide two references from your teachers who can speak to your experience and preparation as it relates to the Luke Scholars program.
