DREW OLSON

Head Coach and Camp Director

Drew Olson realized a career long goal on March 12, 2019, when the Concordia University women’s basketball team celebrated the program’s first ever national title in his 13th year as the program’s head coach. Olson, the program’s all-time winningest head coach (353-96) and three-time GPAC coach of the year, has guided the Bulldogs to three national title game appearances in 2015, 2018 and 2019. Over the past eight seasons, his teams have won a combined 10 GPAC titles (tournament and regular season), eight national tournament appearances, five national semifinal appearances, achieved an overall record of 246-39 and a GPAC mark of 139-25, with five teams winning 30 games or more.

TAE’LOR PURDY

Assistant Coach

Tae’lor Purdy-Korell completed her fourth season as an assistant women’s basketball coach at Concordia University in 2018-19. Over the four seasons Purdy-Korell has been on the bench, the Bulldogs have produced a combined record of 127-18. The 2016-17, 2017-18 and 2018-19 squads each reached at least the national semifinal round and each swept GPAC regular-season and postseason titles. At 36-2 overall, the 2017-18 Bulldogs equaled a school record for most wins in a season. The 2018-19 team then realized the ultimate goal by winning the program’s first ever national title.

Dear players and coaches,

Please consider attending our individual and team camps this summer. I think you'll find them to be competitive, fun and beneficial for individual and team growth. Both our individual and team camps are more affordable than most area camps, and we provide services that other camps do not. For example, our "time and situation" experiences provide a chance for your coaching staff and team to work on executing in pressure situations. Our individual camp offers lectures on nutrition, sports psychology and faith development from a experienced and motivated staff. Be proud to learn from a team that has a tradition of athletic success and has won an unprecedented seven Academic National Championships as awarded by the WBCA. With this standard of excellence, it's understandable why so many girls have chosen Concordia University's camps. I look forward to seeing you at Concordia this summer.

In Christ,

Drew Olson, Head Women's Basketball Coach
