# GUIDANCE AND DISCIPLINE

Tips and ideas so that you can support learning at home!

## Tip #3

***Set clear expectations!***

Many times children act out because they do not know what is expected of them. Give clear instructions so they know what to do!

### WHY IS THIS IMPORTANT?

IT TEACHES THE CHILD WHICH BEHAVIORS ARE ACCEPTABLE AND HOW TO BE COOPERATIVE BOTH AT HOME AND IN SCHOOL.

## Tip #4

***Follow through with consequences!***

Giving in allows them think that their bad behavior is okay. By following through you teach them how to take responsibility for their actions

## Tip #1

***Listen to them!***

Hearing your child out lets them know that you *do* want to hear the other side of the story before solving the problem!

## Tip #2

***Remain Calm!***

This keeps you controlled and shows your child the appropriate way to respond in a tough situation.
