

OUTSIDE SCHOLARSHIP AWARD FORM

(to be completed by the scholarship donor)

Thank you for your support of Concordia University and its students through your scholarship awards!

To help us better serve our students, please complete this form for verification of scholarships that a student will be receiving. When sending payment, keep in mind the payment deadline for students is the beginning of each semester. It would be very helpful to the students if the scholarship checks could be sent before the payment deadline. An additional sheet may be added for more students.

All scholarships are *equally split between fall and spring semesters*. The only exception is if a scholarship requires proof of grades from fall semester before any money is released for spring semester. In this case, the scholarship would be applied in full to Spring semester. If a student listed is not enrolled at Concordia, the funds will be returned to you, the source of the scholarship.

If you have any questions, please contact Student Financial Services at 1-800-535-5494 ext. 7270. This form is also available at www.cune.edu/sfs.
