\_\_\_\_\_

As an F-1 visa applicant, I must provide **documentary evidence of full annual financial support for the first year of study** and living in the U.S. in order to complete admission requirements and to receive an I-20 for F-1 student status.

**I have funding for each year of study**, and when requested each year, will provide Concordia University with proof of adequate funds from readily available financial sources to verify annual support.

I have reviewed anticipated annual expenses for 2025-2026 posted on the Concordia website: [cune.edu/rates](https://www.cune.edu/rates)

I understand the different costs associated with studying in the U.S. – including tuition, fees, books, room and board, travel from home country, personal expenses, mandatory medical insurance, etc. plus annual cost increases.

I will provide Concordia with **acceptable financial documents to verify all financial declarations. Signed and notarized bank letters on bank letterhead in English** listing account totals in U.S. dollars.

I understand if I am bringing any dependent family members, additional support per dependent is needed to cover increased cost of living expenses, travel and insurance. (Dependents cannot legally work in the U.S.)

I must pay all **first semester fees by August 1 (for fall semester starts) or December 1 (for spring semester starts).** Subsequent semesters, payment will be due by the second Monday of the semester.
