

Effective for the 2019 – 2020 Catalog. Concordia University, Nebraska accepts up to 70 hours of credit from a two-year college toward the completion of a four-year program of study. Only courses with a grade of C- or above will be accepted for transfer credit. Students must also complete a minimum of 30 hours at CUNE with a minimum of 12 hours completed at the 300 or 400 level. A minimum of 120 hours must be completed with total hours required varying by major.

Specific graduation requirements can be found in the Undergraduate Catalog.

Pre-Nursing students have two options. They can transfer into a nursing program after two years, having met the requirements listed below. Completion of their nursing program will require an additional 2 – 3 years at another institution. Alternatively, students may complete a bachelor’s degree including the requirements listed below and apply to a one-year accelerated nursing program at another institution.
