*In 2005 and earlier, *All Conference* is earned by placing in the top 6 (Top 6 spots score points). Beginning in 2006, *All Conference* is earned by placing in the top 8 for individual events and the top 3 relays (Top 8 spots score points regardless). A winning relay team counts as (4) four. Beginning in 2016, above tally for *All Conference* relay teams expanded to include top 8 spots (not sure which year the rule actually took effect).

¹A winning relay counts as (1) one.t
