*In 2005 and earlier, *All Conference* is earned by placing in the top 6 (Top 6 spots score points). Beginning in 2006, *All Conference* is earned by placing in the top 8 for individual events and the top 3 relays (Top 8 spots score points regardless). A winning relay team counts as (4) four. These totals tally the total number of *All Conference* performances, not individual *All Conference* performers; thus an individual finishing in the top 8 in two events would be counted as two *All Conference* performances.
