## #12 BAILEY MORRIS

**Hometown:** Clay Center, Neb.

**Position:** Guard

**Parents:** Greg and Angie

**Major:** Sport Management

### COACH OLSON:

Bailey is the most electrifying player I have ever had the privilege to coach. She is a true 'Spark.' She made herself into the best player in the country with extreme work ethic, great creativity, a love of learning the game by watching film and a competitiveness that is extremely rare. I am so impressed with her ability to take on different challenges and lead this program in different ways throughout her career. I enjoy the times she would come in to my office and just talk. I hope her confidence and drive to succeed carries on in her younger teammates. Thank you Bailey for choosing Concordia and trusting in me.

### CAREER HIGHLIGHTS

- Holds program scoring records for a single game (45) and career (1,846)
- Ranks third in program history in steals (368) and fifth in assists (443)
- Named 2013-14 GPAC player of the year, NAIA first team All-America and honorary captain of the OWH All-Nebraska team

## #14 TRACY PEITZ

**Hometown:** Hartington, Neb.

**Position:** Forward

**Parents:** Tom and Peg

**Major:** Biology; Pre-Dentistry

### COACH OLSON:

Tracy is very special. No one can make a teammate laugh and smile like Tracy. She is arguably the best dancer I have ever coached, especially when her "favorite" song is playing. She has given everyone nicknames, including 'Panda' to herself. There is not a more versatile player. Her first game at Concordia, we forced her to play point guard and she had a triple-double. We have asked her to play all five positions and she is able to and does well in them. I hope that someday, this season, she will see herself as the player and person that myself and all her teammates know her to be. I am so thankful that I stayed in the Lincoln East gym waiting for her to reluctantly come talk to me. I will miss her smile and energy that she brings to practice every day."

### CAREER HIGHLIGHTS

- Earned NAIA third team All-America, first team all-GPAC, GPAC defensive player of the year and first team OWH all-Nebraska as a junior
- Has amassed 1,116 points, 521 rebounds, 278 steals and 251 assists over 124 career games
- Daktronics-NAIA Scholar-Athlete

### #24 KELSEY HIZER

**Hometown:** Parker, Colo.

**Position:** Guard

**Parents:** Bill and Jan

**Major:** Secondary Education -  
Math and Special Education

#### COACH OLSON:

Kelsey is easily one of my favorite players I have had the opportunity to coach. She is tough (thank you to Randy for always putting her back together), caring for all her teammates, enthusiastic, comes up big in big games and has a great sense of humor. Kels gets overshadowed often by Bailey, Tracy and Jericca in terms of credit, but she is a big reason those individuals and this team are so successful. I am so glad I was able to coach Kelsey all four years and that she picked Concordia even though she doesn't remember me being at her high school game.

### #54 ASHLEY KUNTZ

**Hometown:** Blair, Neb.

**Position:** Forward

**Parents:** Chuck and Cindy

**Major:** Exercise Science

#### COACH OLSON:

Ashley has impressed me through the years. She has had some amazing games and has really been a great teammate especially this season. She's never selfish, never complains, is always willing to do what's best for the team and is usually the first one in the gym. Ashley's brightest game has to be during CIT sophomore year when she scored 17 points. I am thankful for her resolve so that I have been able to get to know Ashley more over the last few years. She actually started talking her junior year, which was nice

### #42 JERICCA PEARSON

**Hometown:** Gibbon, Neb.

**Position:** Forward

**Parents:** Michelle Pearson

**Major:** Business Administration  
(concentration in accounting);  
minor in Communication

#### COACH OLSON:

Jericca is the toughest person I know, and strongest willed! It is that fight that she gives to her team every time she steps on the floor. I am very appreciative of Jericca's sacrifice for the team and doing whatever is best for the team. She cares deeply for all of her teammates. I know her career could have been different if she would have stayed healthy. Her junior year was remarkable and her greatness comes out often this season. I can't thank her enough for being the ultimate worker to come back to help this team. Her confidence and toughness will be missed for sure.

### #50 RACHEL ROYUK

**Hometown:** Seward, Neb.

**Position:** Guard

**Parents:** Brent and Sandra

**Major:** Secondary Education

#### COACH OLSON:

Red is one of a kind. She and I have very similar interests, which makes her a nerd, but super cool in my book. She is a great energy provider and a great teammate. I am very thankful that she continued to work and fight to stay on this team. I will never forget seeing all of those Concordia posters in her room that she collected as a kid. She should be proud knowing she is one of those players on one of the greatest classes in school history. She is a Bulldog.

## SENIOR DAY

[WWW.CUNE.EDU/ATHLETICS](http://WWW.CUNE.EDU/ATHLETICS)

### COACH OLSON ON SENIOR CLASS:

I can't tell you how much joy you have brought me over the past four years. When I look back while I recruited you, I know God truly had a plan to put all six of you together. You are all unique, different personalities with different interests. But you all have a common bond of competitive greatness, toughness, and a love for each other. The impact you have made on this program is evident in the numbers, but you also made it fun for me to go to work every day. I love being around all of you. Thank you for making me laugh, calling me out at times (one-one thousand), for making my job easier and for allowing me to coach you the way I do. Thank you for loving me and my family. You will all be great wives and mothers. I know you will all be extremely successful in your different career paths. I pray that you keep your focus on Jesus and enjoy His journey He has planned for you. I am thankful that our journey together at Concordia is not over and hope it lasts as long as possible. I love you guys."
